In the event of any conflict between this internal policy document and statutory labor requirements, applicable Pakistani laws and formal individual employment contracts shall strictly take precedence.

3. OFFICE TIMINGS, SCHEDULES, AND WORK HOURS

3.1 Standard Work Week & Hours

Strativa Consulting operates on a standard five-day working week, totaling 40 working hours per week (excluding lunch breaks). The core operational hours are structured as follows:

Day Range	Standard Operating Hours	Core Operational Details

Lunch & Prayer Break	01:00 PM – 02:00 PM	Daily designated break period for meals, relaxation, and prayers.
Friday Afternoon Break	01:00 PM – 02:30 PM	Extended break accommodating Friday congregational prayers.
Saturday & Sunday	CLOSED	Official weekly off-days. Emergency work subject to prior approval.

3.2 Operational Flexibility & Client Engagements

While standard core hours must be respected, Strativa Consulting recognizes that client engagement schedules, strategy workshops, or urgent project deadlines may require flexible working hours. Any modification to standard working hours must be requested and pre-approved by the direct Project Manager and HR.

3.3 Overtime & Off-Hours Work Policy

Overtime work is strictly managed and must be justified by operational requirements. Non-exempt employees required to work outside standard hours must secure prior written authorization from their Project Manager. Overtime compensation or compensatory off-time will be administered strictly in accordance with applicable Pakistani labor regulations and formal employment terms.

3.4 Remote Work & Flexible Work Arrangements

Remote work is not an automatic entitlement; it is an operational arrangement granted on a project-by-project basis or under special personal circumstances. Remote work requests must be submitted to HR via email at least 24 hours in advance and require approval from the employee's direct supervisor.

4. ATTENDANCE, PUNCTUALITY, AND TIMEKEEPING

4.1 Attendance Recording Protocols

Punctuality and consistent attendance are fundamental expectations for all Strativa Consulting employees. Arrival and departure times must be logged daily using the designated attendance mechanism (digital biometric device, RFID card reader, or digital timekeeping portal).

- **Check-in / Check-out Routine:** All personnel must log their arrival immediately upon entering the office premises and log out upon final departure at the end of the workday.
- **Prohibition of Proxy Logging:** Logging attendance on behalf of another employee ('buddy punching') constitutes severe misconduct and grounds for immediate disciplinary action.

4.2 Unplanned Delays & Late Arrival Protocol

Employees are expected to be at their desks ready to work by 09:00 AM. A grace period of 15 minutes (until 09:15 AM) is permitted to accommodate traffic delays or morning commuting issues in Karachi.

- **Immediate Notification:** If an employee anticipates arriving after 09:15 AM, they must notify their direct supervisor and HR via phone call, SMS, or WhatsApp message before 08:45 AM, detailing the reason for delay and estimated arrival time.
- **Definition of Lateness:** Arriving after 09:15 AM without prior management notification is recorded as a 'Late Arrival'.
- **Frequency Thresholds:** Three (3) unexcused late arrivals within a single calendar month will trigger a formal verbal counseling session by HR. Continued lateness will result in progressive disciplinary action.

4.3 Step-by-Step Attendance Verification & Approval Workflow

- **Step 1 (Daily Time Capture):** Employee logs arrival and departure via the digital system or physical register daily.
- **Step 2 (Missed Entry Correction):** If an entry is missed (e.g., system glitch or client visit), the employee submits a 'Missed Punch Correction Form' to HR within 24 hours, endorsed by their supervisor.
- **Step 3 (Weekly Managerial Review):** At the end of each week, Project Managers review attendance logs for their team members and verify alignment with project schedules.
- **Step 4 (Monthly HR Reconciliation):** HR reconciles monthly attendance records against approved leave applications before processing payroll.

5. LEAVE AND ABSENCE MANAGEMENT

5.1 Statutory Alignment & Policy Overview

Strativa Consulting maintains an equitable leave framework designed to promote employee health, work-life balance, and personal well-being.
